

## RESOLUTION 19.052

### **Dissolving the International Committee of the Interstate Oil and Gas Compact Commission**

**WHEREAS**, the International Committee of the Interstate Oil and Gas Compact Commission (IOGCC) was established to provide a platform for International Affiliates to share information and experience and collaborate with other standing committees on key issues; and

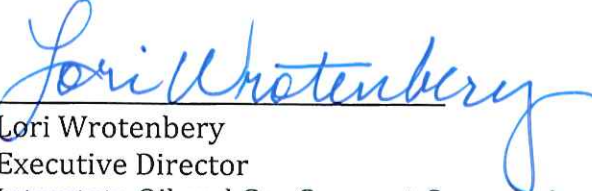

**WHEREAS**, the International Affiliates have utilized the opportunity to provide value to each other, as well as the Member States and Associate States; and

**WHEREAS**, the need for a dedicated standing committee for International Affiliates has declined as the International Affiliates have become deeply embedded into the myriad of operations and activities of the IOGCC, as reflected in the ability of their representatives to assume leadership positions in standing committees, to participate in bodies of work such as research, surveys, and publications, and to engage in other activities that are undertaken by other standing committees;

**NOW THEREFORE, BE IT RESOLVED THAT**, the Interstate Oil and Gas Compact Commission hereby dissolves the International Committee as a standing committee and expresses appreciation to the members of the committee for their service to IOGCC; and

**BE IT FURTHER RESOLVED**, that the IOGCC continues to welcome and support broad participation of International Affiliates in the operations and activities of the IOGCC.

I certify that this is a true and correct copy of the resolution adopted by the Commission on May 29, 2019.
